Resident of Bittersweet Farms to Train for Special Olympics at Boyne Mountain Resort for 12th Year

Whitehouse, OH...For the 12th year in a row, Bittersweet Farms resident Beth Meyer will spend a week at Boyne Mountain Resort training to ski in the Ohio state Special Olympics competition. The state competition will be held at the Boston Mills and Brandywine Ski Resort on February 11-12, 2020.

From January 26-31, 2020, Ms. Meyer will train at Boyne Mountain, receiving daily two hour private lessons from the best and most experienced ski instructors at the Boyne Mountain Resort. In addition to training and lessons, Ms. Meyer will enjoy the benefits of the mountain resort, such as staying in a private room donated by a member of the Michigan Alpine Competition Council (MACC), participating in water park activities, and riding on the snow groomer at least once during her stay.

Gino Chiappetta from C.H. Asset Management generously arranges and donates funds each year to offer Ms. Meyer this incredible opportunity. The Boyne Ski School, Michigan Alpine Competition Council (MACC), Toledo Ski Club, and personal funds also help to provide the funding for Ms. Meyer to train at Boyne Mountain Resort.

Ms. Meyer says: "I am thoroughly excited about going to Boyne Mountain. I live for this trip every year! I love the adrenaline and thrills at Boyne Mountain, and I am so grateful for the support that lets me train there. Thank you to Gino, Boyne Mountain Ski School, the Toledo Ski Club, and MACC for sponsoring me each year."
