### **The Market at Bittersweet Gardens Offers Holiday Gifts with a Purpose**

Whitehouse, OH...Looking to shop local and support a great cause this holiday season? Look no further than the Market at Bittersweet Gardens! Bittersweet provides meaningful paid employment opportunities for adults with autism, and each product featured in the Market is hand-crafted by Bittersweet participants. Every purchase supports Bittersweet's mission of positively impacting the lives of individuals with autism.

The Market features products from Bittersweet's Creative Arts, Culinary, and Gardens programs. Creative Arts offerings include fused glass pieces, woven home goods, and ceramic art. This holiday season, customers can also purchase Bittersweet's famous cookies exclusively through the Market website—hurry, quantities are limited!

Looking for the perfect stocking stuffers? Look no further than our festive, handcrafted ceramic and glass magnets, wine glass charms, holiday ornaments, and autism awareness keychains. Looking for a signature gift for your loved ones? Don't miss our hand-woven table runners, hanging ceramic pieces, and paintings. Custom, commissioned artwork is available, too—contact Retail Coordinator, Lindsay Nagy, at [lnagy@bittersweetfarms.org](mailto:lnagy@bittersweetfarms.org) for more information. Best of all, the Market also offers hand-crafted gift bags and holiday cards, making it a one stop shop for your holiday needs.

While the Market's storefront is currently closed to in-person customers due to COVID-19, the virtual Market is open for business! Contactless pick-up at our Whitehouse location (12660 Archbold-Whitehouse Rd., Whitehouse, OH 43571) is available for all items, with shipping available for select items. Make your list, check it twice, and head to <https://marketatbittersweetgardens.square.site> today to get a jump start on your giving, all while giving back.
